

Letter from the Mayor

Mayor's Spotlight on Businesses!

Garden City is full of wonderful small businesses. Starting in April, I plan to choose one Garden City business a month to spotlight. The first business to spotlight is "Playmania Fun Center" at 5659 Middlebelt Road. Playmania is one block north of the Ford Road and Middlebelt Road intersection, across from Garden City Café. Owner Marquis Peoples created the newest kid-friendly attraction as a tribute to his children. An idea Marquis has been thinking about for over a decade, finally came to fruition this past year as an active attraction for families in our downtown.

The facility has video games, bumper cars, and inflatable bounce houses & slides. There is a prize counter to redeem tickets won, a café offering food and snacks, and private rooms to host birthday parties. Please stop and check out Playmania with your family. www.playmaniafuncenter.com

Mark Jacobs
Mayor of Garden City

Catch Basin Debris

If you have a catch basin/storm drain in the road in front of your house, please keep it clear of leaves and debris so that the water can drain off the sidewalks and roadway. If the drain appears to be clogged with more than leaves and debris than you can remove yourself, please call Public Works at (734) 793-1800.

Garden City Needy Family Fund

All year long the staff at City Hall collects money from donations and from the sale of pretzels for the Needy Family Fund. Each year we coordinate with the Garden City Public Schools and adopt families in need. Staff members shop for the families. All the gifts are wrapped and then Kroger gift cards are given with the presents. The picture to the left is from Christmas of 2022 with the City Hall staff and all the many gifts prepared for the families.

GCYAA Baseball Opening Day

May 6th at 1 p.m. at Moeller Field

GCYAA Kerwin Classic

Baseball - April 21 - 23

Radcliff Center / 1751 Radcliff Street

YARD WASTE – APRIL 1st

Yard waste such as leaves and small branches will be picked up weekly starting April 1st. See the City website for the rules.

Indoor Cleaning Fire Safety Tips

- 1. Check Your Smoke Alarms & Carbon Monoxide Detectors**
Test your smoke alarms and carbon monoxide detectors.
- 2. Clear out any clutter from your home (hallways and stairways)**
Did you know that clutter provides fuel for a fire to spread? Clear your hallways and exits.
- 3. Don't Use Electrical Appliances or Tools with Frayed Cords**
If you have any electrical appliances or tools with frayed electrical cords, replace them immediately.
- 4. Check for Water Around Electrical Appliances**
Check for water around electrical appliances, such as your washing machine, dryer, or dishwasher.
- 5. Check all your appliances to make sure they are in good working condition**
This includes your stove, oven, microwave, toaster, coffee maker, and anything else you use daily.
- 6. It's a Great Time to Clean Your Clothes Dryer Vent & Lint Trap**
Regularly clean your clothes dryer lint trap. Lint is highly combustible and can easily cause a fire if it isn't removed. Clean your dryer vent and hoses at once a year to remove excess lint buildup.
